CUSTOM REPAIR  
SERVICES

Ballhead motor and Permanent Magnet Generator (PMG) stators were custom-manufactured by Woodward and are no longer available as New. Some customers have reported degraded motor insulation or cracked PMG stator leads, causing erratic governor performance. Trust American Governor to rewind or repair this equipment to better than original with today's higher quality insulations and varnishes.

Our Training and Repair Facility offers complete rewind and repair services for mechanical governor ballhead motor and PMG stators. Combined with our complete line of replacement parts and expert field service, our factory rewind service can significantly extend the useful life of your governor.

PMG Stator Lead Repair – Before

PMG Stator Lead Repair – After

American Governor is committed to supporting all your governors, regardless of manufacturer or model, with parts, field service, technical support, training and engineering for as long as you wish to keep them in service. These kits may also be applicable to other pump systems. Please consult your Regional Office for assistance.
